Jeff Mackey

7688 State Route 399

Dunlap, TN, 37327

Jeff enjoyed talking with you in November. You understand very well being involved in your community & helping keep your Eagle 2nd Center going. Even our new Commissioner has not been involved in our center or community.

I am nominating Tommy Johnson to fill the vacancy in the 8th district.

My reasons are:

He was raised in the 8th district and has been active in it all of his life.

He has done more for the 8th district and the Lone Oak Community than anyone else working hard to get utility water extended 11 years ago, helping to get a lot of us back in our 8th district, when the state moved us to 5th.

He volunteered several years ago to have a cell tower put on the Lone Oak Community Center property in lieu of the company putting it on his property for the center to receive the rent check to help keep us in the black.

Our community center is in the good shape it is due to volunteers doing plumbing, electrical and carpentry Tommy has been involved with all of this helping to save the center money.

Very few people in our community are or have been active in helping to keep the Community Center going by helping to raise money and to keep the center in good repair, and this has been done by a few including Tommy, his family and a few others.

None of the others running are involved in our center & community.
He has helped our LOVFD in obtaining a rescue truck, a rope rescue truck, fire trucks, etc.

Tommy, has also been very dedicated on the commission dealing with Erlanger, the new Justice Center and many other projects for the county for 16 years.

His only promise has been, he is willing to help in any way he can.

I pray that you will search your heart and vote to give us and the county back our honest, experienced, Christian commissioner.

Thank you very much

Pauline Geary,

Vice-president Lone Oak Community Civic League, President Lone Oak Quilters & FCE Club
