Dear Sequatchie County Commissioners:

In the December 2014 Sequatchie County Commission Meeting you will be asked to fill the vacant 8<sup>th</sup> District Sequatchie County Commission seat due to the unfortunate passing of Commissioner David Martin. This is an important task that must be done. Being a Commissioner at times can be difficult when facing a vote such as this one. During my former tenure on the Commission I to was faced with this same decision on several occasions and never took it lightly as I am sure each of you will not either. I pray that each of you will study your decision with care and vote to place the best qualified person to represent the 8<sup>th</sup> District residents.

I would like to take this opportunity to formally inform you of my interest in the vacant 8<sup>th</sup> district Sequatchie County Commission seat. Over the past 25 +/- years, I have faithfully and tirelessly served Sequatchie County, the 8th District and the Lone Oak community in various capacities. I would appreciate your vote of confidence and support to fill this vacancy.

Please feel free to contact me if you have any questions.

Regards,
