Re:Special Called Meeting 9/29/14 on 2014-2015 Proposed Budget

### Commissioners,

Just wanted to share some "Food for Thought" regarding the above mentioned meeting. In the proposed .43 cent tax increase budget that is reflective of the minimum requirement of the state comptroller's office, I want to be clear regarding two (2) Revenue Items that are included in this proposed budget that WILL NOT be included in the next years Revenue. Revenue Line Item # 43120( Patient Charges ) is \$50,000 that we are currently receiving from past Ambulance Billing. That amount will dwindle down to about \$5,000 next year. Also, Revenue Line Item #47590 (Other Federal through State-FEMA) is(\$100,000-Est.) that we anticipate this Dec/Jan. This money WILL NOT be included in next years Revenue. This \$150,000 loss of Revenue will need to be replaced through cuts or Increased Revenue in next Spring's budget preparations. The Commission can deal with this Monday night or put it off for 7-8 months.

It has been requested that I present an optional budget that is representative of a .50 cent tax increase that IS NOT the minimum but rather what is needed to handle the upcoming Revenue Shortfall in next year's budget. We DO NOT want to raise taxes 2 years in a row. Let me be clear, this is only an option. It is my job to give this commission all of the facts and be transparent in all county endeavors.

If you have any questions regarding this or any issue, please call me at 423-949-3479 or my cell at 423-322-5492.

Thank You For Serving.
